

Buddy's School Rewards Program Terms and Conditions:

Eligible Schools

Eligible Schools will have an official 501(c)3 nonprofit status and will primarily serve children in elementary schools. Lee's Marketplace has the ability to determine which schools meet eligibility, and can accept, decline, or remove any school from the School Cents program at any time.

Purchases

Eligible participants must be a Lee's rewards member and must be 18 or older.

For schools to earn a donation, participants should link their Lee's rewards accounts to a school of their choice. Each Lee's Rewards account may be linked to one participating school of their choice and can be updated at any time by the participant.

Eligible purchases will be required to use a linked Lee's Rewards program for tracking purposes. A phone number must be given at time of purchase or the sale will not be tracked and points will not be earned for the participant's school. The purchases of the following will not earn for Buddy's School Rewards program: gift cards, alcohol, pharmacy expenses, and government assisted programs. Sales tax is also excluded from costs.

By agreeing to these terms and conditions, you agree to hold Lee's Marketplace and their Buddy's School Rewards program harmless in connection of incorrect identification of any person.

Terms

Buddy's School Rewards program is free and no payments will be accepted on behalf of a participating school. Proceeds from Buddy's School Rewards may not be used for political or legal funds. Lee's reserves the right to accept or decline any school from participating in the program, regardless of the programs' focus without cause or explanation, and without notice to the school. Schools have the ability to terminate participation from the Buddy's School Rewards program by sending a written letter to: Lee's Marketplace, Marketing Dept. Buddy's School Rewards, 505 E 1400 N Suite 110, Logan, UT 84341. Buddy's School Rewards is void where prohibited by law.

Donations

Eligible purchases made by approved program participants will be calculated the end of April each year. Donation amounts will be calculated and determined by Lee's Marketplace based on participation. Participating schools are eligible to earn up to \$5,000 per school. Participating schools are not guaranteed a donation. Schools that do not reach a minimum donation of a \$500 will not qualify to receive a donation. Donations that accumulate throughout the school year will be divided up based on a percentage of company & store donations. Then will be divided up by percent to the top 3-5 schools in each store location. All schools will need to reenroll in the program to participate for the following year.

I have read the terms and conditions for Buddy's School Rewards program and agree and comply with all terms and conditions and donation processes associated with Buddy's School Rewards.
