# How to make a CHARCUTERIE BOARD

## Step 1

Choose a rustic board, favorite tray or colorful plates and small knives or a cheese knife set.

## Step 2

Start with our curated selection of Italian meats such as prosciutto, salami Milano and Genoa. Then, add Rollino (spicy sopressta rolled with mozzarella) and garnish with nuggets of pepperoni.

## Step 3

Select your favorite cheeses or pick from these award winners: Italian Parmigiano-Reggiano, Beehive's Red Butte Hatch Chile, Marieke's collection of gouda and finish with soft-ripened from Marin French or Park City Creamery.

## Step 4

Add condiments and compliments, such as: Pepperlane preserves, honey, Delallo's fig spread or a mezes from Haig's.

## Step 5

Add olives, nuts and fresh fruit as counterpoints: Delallo's Calamata, a mixture of Greek olives, Marcona almonds, glazed pecans, grapes, strawberries or dried fruits.

## p.s.

Add in some fresh herbs and leaves to style your board and make it beautiful.

## Step 6

Choose crackers from Olina's or bread such as brioche, baguettes or ciabatta to carry each little pairing of flavors.
